Green object is just on trim line

Both reds should be deleted

blue shouldn't be deleted.
At 0.25″ + 0.1px

Text here not deletable because frame still within excess trim

image here shouldn't be deleted as it's offset trim by at x axis by 0.1px

image here shouldn't be deleted

image here should be deleted as it's offset trim by at x axis by +0.1px
